Dear Alex,

RE: OFFER OF EMPLOYMENT - SENIOR SOFTWARE ENGINEER

On behalf of Nimbus Cloud Systems, Inc. (the "Company"), I am delighted to offer you the position of Senior Software Engineer, reporting to Jordan Reyes, Engineering Manager, Platform Infrastructure. We were impressed by your background and look forward to your contribution to our team.

Compensation & Benefits

Your annual base salary will be \$185,000, paid semi-monthly. You are eligible for an annual bonus target of 10% of base salary, subject to Company and individual performance, and an equity grant of 2,500 Restricted Stock Units (RSUs) vesting over four years. You may participate in the Company's health, dental, vision, and 401(k) plans on the same terms as other full-time employees.

Start Date & Location

Your anticipated start date is March 3, 2026. This role is based at our San Francisco office under the Company's hybrid policy, currently three days per week in-office.

Contingencies

This offer is contingent upon: (i) a satisfactory background check, (ii) verification of your right to work in the United States as required by federal law, and (iii) execution of the Company's standard Proprietary Information and Inventions Assignment Agreement.

At-Will Employment

Your employment, if commenced, will be "at will": either you or the Company may terminate the relationship at any time, with or without cause or advance notice.

Acceptance

This offer is open until 11:59 PM Eastern Time on September 26, 2026, after which it will be considered withdrawn unless extended in writing. To accept, sign and return a copy of this letter. We are excited about the possibility of you joining Nimbus.

Sincerely,

Jordan Reyes
Director, Talent Acquisition
Nimbus Cloud Systems, Inc.

ACCEPTANCE

I, Alex Morgan, accept the terms of this offer as outlined above.
